

What to do when you

**DON'T GET**

**YOUR WAY**

# Let others be first too.

Go ahead of me today. It's no big deal.

Do this.

I'm first every day this week!  
I rule!

Not this.

# Don't be a sore loser.

## Do this.

## Not this.

# Complain less.

Okay!

Do this.

I hate  
Homework!

Not this.

# Don't be the "rule boss."

I suppose we could try it that way.

Do this.

MY rules, or else.  
NO WAY!

Not this.

# Don't brag when you win.

You played well.  
You almost  
beat me.

**Do this.**

**Hurray!  
I won!**

**Not this.**

Usually, other people's  
feelings...

are more important than  
getting your way.
