Don’t be a sore loser.

Do this.  Not this.

I hate Homework!

Do this.

Not this.

Don’t be the “rule boss.”

I suppose we could try it that way.

MY rules, or else.
NO WAY!

Do this.
Not this.
Don’t brag when you win.

You played well. You almost beat me.

Hurray! I won!

Do this. Not this.

Usually, other people’s feelings...

are more important than getting your way.
